Hi Elin,

Happy New Year! I hope you enjoyed some time off and the corgis are keeping your feet warm on this cold day in NC.

Please let me know if you have any near term actions for me that you would like coordination or support for with the AltEN project. We discussed next steps of your setting up the next meeting with ORD and the collaborators and me joining to get up-to-speed. If there is anything I can help with in the interim just let me know.

Thanks,
Jill
